ETHICS OPINION

Process CEFADe 07.2014

The Ethics Committee of the Faculty of Sport from the University of Porto analyzed the project entitled “A associação entre características ambientais e a prática da atividade física de adolescentes: uma análise subjetiva e objetiva do ambiente urbano e da atividade física” presented by MSc. Roseanne Autran. Considering the project’s characteristics, as well as the competence of the research team, the Ethics Committee addresses a positive opinion, because the ethical principles that govern this type of scientific work are respected.
